St Kieran's School

2017

Annual Plan

Strong Catholic identity:
Strengthen capacity to lead,
engage and teach with a re-
contextualised Catholic world-
view within each school and
office community

Goals

- Raise awareness about the catholic identity of our Catholic school amongst the whole community.

Strategies

- Participate in the Catholic Dialogue Schools project by raising awareness and gathering survey data.

Excellent learning and teaching:
Grow engagement, progress,
achievement and wellbeing for each
student

Goals

- By the end of 2017, 80% of our year 2, 4 and 6 students will be achieving at their year level phase of conceptual understanding as demonstrated through the numeracy monitoring tools and delivered through the consistent implementation of effective pedagogies in mathematics.

Strategies

- Use data walls displaying data from the maths monitoring tools to inform planning and teaching in 3 week cycles of planning.
- Use the review and response process to identify strategies to improve student learning.
- Provide for specifically targeted teaching to students who have fallen below the appropriate LAF level.
- Provide PD for teachers in the pedagogy of numeracy and effective and expected practices in mathematics.
- Release teachers for co-planning sessions with Belinda Emmi to map their year level curriculum against the year prior and following.

Building a sustainable future: (a)
Build sustainability through
people and capability (b) Ensure
stewardship of resources with
transparency, accountability and
compliance

Goals

- Build sustainability in people and capability.
- Embed sustainable practices in the school.

Strategies

- Ensure effective induction practices for new and returning staff.
- Provide opportunities and support for aspiring leaders via mentorship, PD and effective relationships.
- Develop the capacity of all staff through effective goal setting and reflection processes.
- Continue to implement sustainable practices in reducing consumption of water, electricity, paper and the general waste.
