Mission and Religious Education

Goal
St Kieran’s demonstrates a strong Catholic identity through language and action

Strategies
- Building a common language and depth of understanding of the Catholic identity through formation of staff
- Demonstrate action through leadership and or participation in the spiritual life of the school and school celebrations

Learning & Teaching

Goal
St Kieran’s students know how to learn and demonstrate their confidence and creativity through their learning progress

Strategies
- Building capacity of teachers to use feedback and enable students to use feedback that moves learning forward
- Ensuring access to digital technologies to enrich learning environments

Professional Practice & Collaborative Relationships

Goal
Staff have the capability and willingness to collaborate to enable St Kieran’s students to know how they learn

Strategies
- Development of effective staff professional learning teams and
- Staff engage in collaborative ways of working within collaborative professional learning teams

Goal
St Kieran’s is a safe and sustainable learning and work environment

Strategies
- Implement a consistent whole school approach to teaching behaviours for learning
Strategic Resourcing

Goal
Allocate resourcing to sustainably, effectively and efficiently enable the delivery of high quality teaching and learning for our students.

Strategies
- Through the School Board, develop a St Kieran’s Sustainable Practices policy
