The St Kieran’s Business Directory is an exclusive service for the St Kieran’s School Community and aims to provide business connections within our Community with the intention to create an easy system for finding local products and services and, in turn, support our School families.

If you would like to have your business added to the Parent Business Directory, please complete the relevant form that can be found on the Parent Portal and forward it to Chris Edwards on chris.edwards073@gmail.com.

Your safety is my business

Shelley Dale OHS Services has been helping clients achieve their health and safety goals since 2008. Whether your focus is compliance, continual improvement or gaining a competitive edge, I will work with you to tailor an OHS program that delivers what YOUR business needs. Whether the project is long or short term, my goal is to align with your company’s culture, values and people, and help you achieve results as soon as possible.

Expert advice

With almost 20 years’ experience managing workplace hazards in both professional and heavy industrial work environments, you have the reassurance of expert advice backed by recognised tertiary OHS qualifications, professional memberships and full insurance. All industries, no business too small or large.

Business acumen

Whether your company is small, medium or large, I understand that in order to manage safety, you need to manage your business first. With compliance and productivity competing for attention, you can get back to what you do best, knowing you have the right advice and support to stay on top of safety.

Value for money

With competitive daily rates and no hidden extras, there are no ongoing retainers or service agreements. You have the flexibility to engage the services you need to suit your routine and budget, for as long as your project requires. No HR or employee management issues – no fuss.
